## NURSING AS A CAREER

Nursing is not just a career - it is a calling.

It is the perfect blend of science and compassion, skill and care, knowledge and kindness.

Nurses are the heartbeat of healthcare. They are the ones who stay by the patient's side when no one else can - monitoring, comforting, healing, educating, and advocating. From the first cry of a newborn to the final moments of life, nurses make every stage of the journey more humane and hopeful.

**Today, nursing offers endless opportunities:**

- Hospital wards & Critical Care Units (ICU, ICCU, NICU)
- Operation Theatres & Emergency Services
- Midwifery & Maternal-Child Health
- Community & Public Health Nursing
- Teaching, Research & Nursing Leadership
- Lucrative jobs in India & abroad (USA, UK, Canada, Australia, Middle East)

With ever-growing demand, excellent job security, attractive salaries, and the pride of serving humanity, nursing remains one of the most respected, rewarding, and future-proof professions.

At Pranav Paramedical & Nursing College, Agartala, we don't just train nurses - we nurture compassionate healers and confident professionals who are ready to lead and make a real difference.

## About Us

Choose  
Pranav Paramedical &  
Nursing College

Pranav Paramedical & Nursing College believes to be the source of enlightenment in the field of nursing education. PPNC is located at Agartala, Tripura, Agartala, India, Tripura.

Pranav Paramedical & Nursing College (Under the Aegis of Pranav Welfare Trust, Delhi)! Approved by Health & Family Welfare Department & Tripura Nursing Council, Government of Tripura.

We have entered currently with two undergraduate nursing educational programmes and aspire to extend towards post graduate nursing along with short term, Certificate programs under the Tripura University. The Institute has a vision to create the benchmark in nursing education. The graduated nurses will be prepared to assume responsibility in providing the primary, secondary & tertiary level care to the clients, as Professional Nurses.

Nursing is Science' is the basic concept of PPNC, hence we are committed to create an educational environment conducive for the students and teachers to acquire inquiry driven, self-directed learning to instil lifelong learning with desirable nursing practice.

# Chairman-cum- Managing Director (CMD)

Ayush Kumar Tiwari

It is my great privilege to welcome you to our Paramedical & Nursing College, an institution founded with the vision of nurturing skilled, compassionate, and responsible healthcare professionals. In an era where the demand for quality healthcare continues to grow, our college stands committed to providing a strong academic foundation and a value-based learning environment for Pranav Paramedical & Nursing College.

We believe that excellence in healthcare begins with quality education and hands-on training. Our curriculum is designed to blend theoretical knowledge with extensive practical exposure, enabling students to gain confidence and competency in real-world medical settings. With modern infrastructure, well-equipped laboratories, and experienced faculty, we strive to create an atmosphere that encourages curiosity, critical thinking, and professional.

At the heart of our mission lies the emphasis on ethics, empathy, and service. We encourage our students to view healthcare not just as a profession, but as a noble responsibility toward society. By instilling strong moral values and a spirit of dedication, we aim to prepare future healthcare providers who are not only skilled but also compassionate in their approach.

As you embark on your educational journey with us, I urge you to make the most of the opportunities that lie ahead. Embrace learning with passion, face challenges with confidence, and uphold the highest standards of integrity. I am confident that with commitment and perseverance, you will emerge as successful professionals who contribute meaningfully to the well-being of India.

### **Philosophy**

Education is a lifelong process beginning with

undergraduate studies, continuing through graduate studies and encompassing continuing education for professional development;

A strong educational foundation enables nurses to conduct evidence-based practice, engage in scholarly activities and translate knowledge in health sciences and health care to improve healthcare delivery to all human beings;

Commitment to preparing nursing professionals to function in leadership roles and to address the social, ethical, economic and policy issues that affect the design and delivery of health care in the state, in the national and the world.

Believe that an expert faculty with varied areas of expertise is required to carry out the educational mission of the college.

## Principal Message

A. Saha

A very warm welcome to the Pranav Paramedical & Nursing College, Agartala, a budding institute with well-furnished infrastructure, qualified & experienced teaching faculty and harmonious interdisciplinary team.

Nursing is one of the dynamic and noblest professions with a wide scope of service in the country as well as abroad. Our mission is to deliver a seamless experience through highest level of standards for our students as such they will be able to deliver care in our diverse communities providing equitable access, individualized care, coordination and quality health care.

This institute envisages an all-round and balanced education and training based on sound intellectual, physical, moral and social information. The aim is to make our students erudite, patriotic and ceaselessly seeking excellence through best facilities of classrooms, laboratories and library with modern gadgets and books. PPNC offers seamless access to state's top premier government and multispecialty hospitals within 2-12 km to daily hands-on clinical rotations in diverse specialties like Medicine, Surgery, OBG, Paediatrics, ICU, NICU, and Emergency, Preparing you for real-world challenges like no other college in Tripura.

On behalf of administration and faculty, again we welcome you to our College.

**Pranav Paramedical &  
Nursing College**

### Objectives

To apply knowledge from humanities, biological & behavioral sciences in functioning as a nurse.  
To participate as a member of health team in delivery of curative, primitive, preventive and rehabilitative health care services.

To develop competence, confidence and capability among students to improve their job potential; both in the country and abroad.

To recognize the need for continuing education for professional development.  
To demonstrate interest in activities of professional organization.

To utilize the latest trends & technology in providing quality health care.

# College Rules & Regulations

Choose  
**Pranav Paramedical &  
Nursing College**

We maintain a safe, disciplined and professional environment that prepares students to become responsible healthcare professionals. Every student is expected to abide by the following rules and regulations:

**1. Discipline & Conduct :**

All students shall maintain high standards of discipline, decency and moral values both inside and outside the campus. Ragging in any form is strictly prohibited and is a punishable offence under law. The college reserves the right to expel any student found involved in ragging or any act of gross indiscipline, immorality or behaviour prejudicial to the College.

**2. Attendance :**

Minimum 80-90% attendance (as per INC guidelines) in both theory and practical classes is mandatory to be eligible to appear in university examinations. Shortage of attendance will debar the student from filling examination forms.

**3. Uniform & Dress Code :**

Prescribed college uniform must be worn at all times during college hours and clinical postings and official events. Neat appearance and personal hygiene are compulsory.

**4. Campus Timings & Permission :**

Students are not allowed to leave the college premises during working hours without prior written permission from the Principal/Class Coordinator. Gate pass is mandatory.

**5. Care of College Property :**

Students are responsible for the safe handling and custody of laboratory equipment, mannequins, instruments and other college property. Any damage due to negligence or misuse shall be recovered from the concerned student(s).

**6. Mobile Phones & Electronic Gadgets :**

Use of mobile phones is strictly prohibited in classrooms, laboratories and clinical areas. Phones must be kept on silent mode and used only during breaks in designated areas.

**7. Fees & Dues :**

All fees must be cleared as per schedule. Students with pending dues will not be allowed to appear in examinations or receive hall tickets/mark sheets/certificates.

**8. Identity Card :**

Every student must wear the college identity card at all times within the campus and during clinical duty. Loss of ID card must be reported immediately.

**9. Anti-Ragging Commitment :**

The college is a zero-tolerance zone for ragging. Anti-Ragging Squad and Committee are active 24x7. Helpline numbers are displayed across the campus.

**10. Amendment of Rules**

The college management committee reserves the right to modify, add or delete any rule without prior notice. All students shall be bound by such changes.

We believe that self-discipline is the foundation of a great healthcare professional.

## Teaching & Learning Facilities

Choose  
**Pranav Paramedical &  
Nursing College**

### **Classrooms & Lecture Halls**

Eight spacious, well-ventilated classrooms with comfortable seating for 60+ students. Each hall is equipped with roof-mounted LCD projectors, smart boards, high-quality sound systems and ample natural light to ensure an engaging and lively learning experience.

### **Fundamentals of Nursing Lab**

A world-class skill laboratory with latest high-fidelity manikins (adult & paediatric), CPR simulators, IV arms, suction units, patient beds and all essential nursing articles. Students master basic to critical nursing procedures in a completely safe and supervised environment.

### **Maternal & Child Health Nursing Lab**

Advanced lab featuring electronic birthing simulators, labour delivery models, neonatal resuscitation units, foetal monitors, pelvic models, episiotomy trainers and newborn care stations - helping students gain complete confidence in midwifery and child health nursing.

### **Community Health Nursing Lab**

Realistically designed with community bags, family folders, growth charts, immunization kits, water testing kits and health education models. Students practise home visits, community assessment and primary healthcare delivery just like in real field settings.

### **Nutrition Lab**

Fully functional modern kitchen lab with gas burners, weighing scales, therapeutic diet charts, food models and diet-planning software. Students prepare and serve normal & modified diets while learning nutrition in health and disease.

## Teaching & Learning Facilities

Choose  
Pranav Paramedical &  
Nursing College

	<b>Total</b>	<b>3,38,000/-</b>	<b>4,62,000/-</b>

## Terms & Conditions

Choose  
**Pranav Paramedical &  
Nursing College**

- At admission, students must pay the Admission Fee plus first and second semester fees.
- All semester fees must be paid before classes begin for that semester.
- Late fee payments incur a daily penalty and may lead to restriction from classes and clinical training.
- Fees include tuition, admission, library, labs, hospital practice, campus facilities, and administrative charges. No hidden charges.
- Hostel, transport, university exam fees, uniforms, and books are not included and charged separately as per college and regulatory norms.
- Scholarships or discounts may be available at admission based on 12th board marks and interview performance.
- Full course fee paid upfront qualifies for a 2% discount (after other admissible discounts). Fees once paid are non-refundable and non-transferable except under specific scholarship/refund provisions.
- All payments accepted only via approved channels; cash payments subject to regulations and receipts are mandatory.
- Fee structure and policies can be revised for future sessions, but students admitted in 2025-26 remain on this agreed structure.
- Parents/guardians are jointly responsible for payment and compliance; non-payment can result in denial of attendance, exam entry, or cancellation of admission.
- Disputes on fees or discounts are resolved by the College Management Committee.
- For detailed fee structure, **visit [www.ppnc.in](http://www.ppnc.in)** or our College Admission office.
